

RUN 178

JUNE 09 2024

Special sunrise coupled with 2 great views

Phew, at last enough members to do a run. The weather was great as we arrived to set up in the dark at 6.30. As usual Ruby the White Escort was already there but Sheryl was absent due to having the flu but Michael came with one of his grand kids.

After a number of last minute defections & additions we had 17 vehicles & 26 members for breakfast. Everyone was there by 7.15 so after a short driver's briefing we were off into the morning air. Due to the fact that Railway Rd is closed for 2 months for so-called repairs so we had to pass through 4 sets of traffic lights on our way to exiting the city. This tends to break up the convoy.

We were soon greeted by a magnificent sunrise that lasted for about 10 minutes. Darryl was furiously taking pictures as we moved along. Unfortunately sunrises are prone to turn into sunstrike and as we turned from Colyton Rd into Kimbolton Rd just north of Feilding we were greeted with blinding sun in your rear vision mirrors. We then skirted around Feilding before heading north to our mid-drive stop at Vinegar Hill Reserve after passing Stormy Point lookout for a panoramic view of the Northern Rangitikei. Leg 2 took us South along Highway 1 before heading for the hills again for another view of the Southern Rangitikei from Mt Curl.

Breakfast was ready for us when we arrived at Cooks bar in my home town of Marton. After consuming a great breakfast we thanked our Hosts, drew our raffles & thanked our volunteers who assist with various aspects of running our club.

We then had a discussion about low numbers and what may be causing this. No real answers. Members were adamant that we should retain the present Breakfast format but maybe adjust runs to take in sights etc. All done by 10.25.

Developments for Members

Eligibility dates for joining our Club .

The decision is -

- That the eligibility date should move with the current date
- So this would mean that for every new calendar year the date would advance 1 year
- Vehicles must now be **30 years old** (with maybe some concessions to Model run)
- Younger vehicles may be accepted by member agreement fitting the theme of our Club

Donations to the Hospice .

The New System is -

- Donations of hard goods & food are now suspended
- Donations via the Hospice Tap & Go electronics
- Cash & vouchers (Supermarket , fuel or hardware store) are very welcome

The format for June is normal format

- Check-in 6.45 - 7.15
- Run will be normal (115 - 125Km) with mid-drive break . Start & finish in Palmerston North
- Breakfast at 9.30 as usual

Thanks to Crew

New Members

They need to register OnLine at our Web Site and we will be in touch with them as some vehicles may require special dispensation to join our club. Simply go to www.classiccarbreakfastclub.nz and click on the New Member Register button. Please note that they must register all vehicles so these details are automatically added to our Membership data base. Also note that now we require your cell phone number for quick contact purposes.

Our Web Site has high security so your details are not accessible

Registering for Monthly runs

Once again this is done via our CCBC Web Site. Easiest way is to follow the link on any email that I send as this will take you directly to the CCBC home page. Make sure you complete the process **to the Confirmation page**. You should see a ***car with a smiley face*** if you have registered correctly. Also remember if you have more than 1 vehicle try and register the one you intend to bring on the run. Turning up without registering causes a lot more work for our volunteers at Registration. Remember registrations close at **5pm on Wednesday** before the run.

If before registrations close you are unable to make the run then please text me so we can make the necessary adjustments. Doing nothing makes for a lot more work for our volunteers as well a causing unnecessary delays. plus creating problems for our Breakfast Host.

Changes for future runs

To make things easier for our registration volunteers please note - When you arrive just pause by the registration sign so Sheryl can check rego and number of people in vehicle. Park your vehicle then come over to make your donations & Michael will give you your instructions
