

RUN 179

JULY 14 2024

Life is centered on Feilding this drive

Another fine morning for our 2nd Winter drive. Although we encountered a few drops of rain on our drive in from Marton which was a bit of a concern as damp runs are not the most enjoyable. Arriving at our registration point to be greeted by Michael & Sheryl our faithful registration volunteers. Members arrived in waves which means more intense activity followed by time to chat to each other. A total of 33 Members in 20 vehicles arrived in good time so after a short driver's briefing we set off a few minutes early.

Leg 1 took us North - East out of the city , then heading to the South of Feilding before travelling towards Halcombe and back to the Northern side of Feilding . We then drove the 15Km straight road to our Mid-drive stop at Cheltenham.

For leg 2 we travelled North of Cheltenham and then in a loop back to the Northern side of Feilding before heading East through Colyton and almost to Ashhurst. We then headed back to Feilding via Bunnythorpe finally stopping at the Feilding Golf Club for breakfast

Chef Aaron was ready for us and Members were quick to devour a great breakfast
We then thanked Aaron and he outlined the days & hours the Restaurant was open for dining. Certainly is a nice venue with a great view over the golf course
We then drew our normal raffle prizes that had been donated by Members.

Developments for Members

Eligibility dates for joining our Club .

The decision is -

- That the eligibility date should move with the current date
- So this would mean that for every new calendar year the date would advance 1 year
- Vehicles must now be **30 years old** (with maybe some concessions to Model run)
- Younger vehicles may be accepted by member agreement fitting the theme of our Club

Donations to the Hospice .

The New System is -

- Donations of hard goods & food are now suspended
- Donations via the Hospice EFTpos terminal
- Cash & vouchers (Supermarket , fuel or hardware store) are very welcome

The format for August is normal format

- Check-in 6.45 - 7.15
- Run will be normal (115 - 125Km) with mid-drive break . Start & finish in Palmerston North
- Breakfast at 9.30 as usual

New Members

They need to register OnLine at our New Web Site and we will be in touch with them as some vehicles may require special dispensation to join our club. Simply go to www.classiccarbreakfastclub.nz and click on the New Member Register button. Please note that they must register all vehicles so these details are automatically added to our Membership data base. Also note that now we require your cell phone number for quick contact purposes.
Our New Web Site has very high security so your details are not accessible

Registering for Monthly runs

Once again this is done via our CCBC Web Site. Easiest way is to follow the link on any email that I send as this will take you directly to the CCBC home page. Make sure you complete the process **to the Confirmation page**. You need to see a ***car with a smiley face*** if you have registered correctly. Also remember if you have more than 1 vehicle try and register the one you intend to bring on the run. Turning up without registering causes a lot more work for our volunteers at Registration. Remember registrations close at **5pm on Wednesday** before the run.

If before registrations close you are unable to make the run then please text me so we can make the necessary adjustments. Likewise if you miss the registration cut-off let me know so I can see if you can be included

Changes for future runs

To make things easier for our registration volunteers please note - When you arrive just pause by the registration sign so Sheryl can check rego and number of people in vehicle. Park your vehicle then come over to make your donations & Michael will give you your instructions
