

**RUN 180**

**AUGUST 11 2024**

*A Drive South & back*

We certainly have been lucky with the weather on these, our 4 winter drives. Sunday was no exception although it was a little cooler in Palmerston North than Marton. Of course a modern vehicle has a read out of the outside air temperature but no such feature on Kermit. Numbers were down a bit this month as I guess getting up early on a cooler Winters morning is less attractive than Summer so we had a total of 24 Members in 16 vehicles.

Everyone was in early so after completing the normal driver's briefing we set off into the day.

This run was a totally new run and although many of the roads have been traversed before it took a bit of organisational dexterity to get it all together so that it fitted within the schedule we need to keep to. So off we went heading South of Palmy in the general direction of Rongotea before passing through the Bainesse area and on down Himatangi Block Rd. This extremely straight road has a 80km/hr speed limit for what reason escapes me. This run's mid-drive stop was in Shannon.

To begin leg 2 I tried a new route to get our convoy facing North again but maybe needs another re-think. Heading North we passed through Opiki area then through Aokautere and on up to Ashhurst via Fitzherbert East Rd. Finally heading to Bunnythorpe for breakfast at the Bunnythorpe Tavern. All my fears were allayed as the crew were ready with food when we arrived so no delays.

After consuming a great breakfast we thanked our Hosts and they explained the Restaurant was open 4 days ( Thursday - Sunday ) for dinner.

After drawing our raffles and some brief housekeeping all done by 10.15.

Please note that they must register all vehicles so these details are automatically added to our Membership data base . Also note that now we require your cell phone number for quick contact purposes.  
Our New Web Site has very high security so your details are not accessible

**Registering for Monthly runs**

Once again this is done via our CCBC Web Site. Easiest way is to follow the link on any email that I send as this will take you directly to the CCBC home page. Make sure you complete the process **to the Confirmation page** . You need to see a ***car with a smiley face*** if you have registered correctly. .Also remember if you have more than 1 vehicle try and register the one you intend to bring on the run . Turning up without registering causes a lot more work for our volunteers at Registration. Remember registrations close at **5pm on Thursday** before the run.

If before registrations close you are unable to make the run then please text me so we can make the necessary adjustments. Likewise if you miss the registration cut-off let me know so I can see if you can be included

**Changes for future runs**

**To make things easier for our registration volunteers please note - When you arrive just pause by the registration sign so Sheryl can check rego and number of people in vehicle. Park your vehicle then come over to make your donations & Michael will give you your instructions**
