

RUN 181

SEPTEMBER 08 2024

Over the Hill & back again

When I checked the run records I could not find any drive that had traversed the ranges twice. As we had set the Deer & Duck Inn at Ashhurst as our breakfast venue on previous occasions we had completed our run by driving up to Apiti & back so this was a first for Our Club. I watched the weather forecasters all week as if we had rain this run would have been more difficult although we had allowed extra time if required.

So in the end 18 vehicles and with 28 members, including 2 New Members, gathered under a cloudless but a nice temperature for this time of year. Kermit gave us a few anxious moments as he refused to start after we dropped registration items off. Intermittent faults are a curse but I guess par for the course for 45 year old vehicles. For the rest of the trip it started faultlessly.

So off we went heading West out of the City and over the Pahiatua Track as our first crossing.

Up through Ballance before our Mid-drive stop at Woodville. There was a very cold wind blowing so most Members had retreated to their cars so we set off a little earlier than our set schedule.

Leaving Woodville we followed Highway 2 before turning off at Bluff Rd. We then drove North through the Waiaruru area before crossing Highway 2 again heading for the ranges picking up Pinfold Rd which led us to the Saddle Rd. Arriving a little ahead of schedule at our Breakfast Venue we enjoyed a great breakfast & after thanking our Hosts I formally welcomed our 2 new members who enlightened us on their cars. I then thanked our Club Volunteers before drawing our usual raffles.

We then had a general discussion about topics such as Monthly Newsletter, Maps on run instructions & events at the Hospice. All over by 10.20.

Developments for Members

Eligibility dates for joining our Club .

The decision is -

- That the eligibility date should move with the current date
- So this would mean that for every new calendar year the date would advance 1 year
- Vehicles must now be **30 years old** (with maybe some concessions to Model run)
- Younger vehicles may be accepted by member agreement fitting the theme of our Club

Donations to the Hospice .

The New System is -

- Donations of hard goods & food are now suspended
- Donations via the Hospice EFTpos terminal
- Cash & vouchers (Supermarket , fuel or hardware store) are very welcome

The format for October is normal format

- Check-in 6.45 - 7.15
- Run will be normal (115 - 125Km) with mid-drive break . Start & finish in Palmerston North
- Breakfast at 9.30 as usual

New Members

They need to register OnLine at our New Web Site and we will be in touch with them as some vehicles may require special dispensation to join our club. Simply go to www.classiccarbreakfastclub.nz and click on the New Member Register button. Please note that they must register all vehicles so these details are automatically added to our Membership data base . Also note that now we require your cell phone number for quick contact purposes.
Our New Web Site has very high security so your details are not accessible

Registering for Monthly runs

Once again this is done via our CCBC Web Site. Easiest way is to follow the link on any email that I send as this will take you directly to the CCBC home page. Make sure you complete the process **to the Confirmation page** . You need to see a ***car with a smiley face*** if you have registered correctly. Also remember if you have more than 1 vehicle try and register the one you intend to bring on the run . Turning up without registering causes a lot more work for our volunteers at Registration. Remember registrations close at **5pm on Thursday** before the run.

If before registrations close you are unable to make the run then please text me so we can make the necessary adjustments. Likewise if you miss the registration cut-off let me know so I can see if you can be included

Changes for future runs

To make things easier for our registration volunteers please note - When you arrive just pause by the registration sign so Sheryl can check rego and number of people in vehicle. Park your vehicle then come over to make your donations & Michael will give you your instructions
