

**RUN 183**

**NOVEMBER 10 2024**

*The Long Trek South*

Once again the weather was a bit changeable all week but on the morning of this run a quick check on the Rain Radar showed rain had passed in the night.

So the weather was dry for registrations which is always a bonus at this time of year Registrations were very light so only 12 vehicles and 20 Members arrived for this run.

Everyone was in early so we were able to begin our drive a little earlier than usual.

The first shorter leg took us down south ,through Opiki and then on to Shannon for our mid-drive stop. Here we were greeted by light rain so Members were eager to head for their vehicles .

Leg 2 took us back to just South of Foxton before a trip down Highway 1 the across to Highway 57.

Bypassing Levin then on to Ohau where we once again travelled on Highway 1. On through the back roads at Manakau ,through Otaki on the old Highway 1 before taking in an Easterly loop then crossing the new Expressway. Back up the Old Highway 1 to breakfast at the Winemakers Daughter.

Our Breakfast was ready when we arrived so after consuming this we thanked our Host , Michael

I then thanked our volunteers before we had a discussion about our December Christmas run.

**See below about what will be different regarding raffles & Hospice donations.**

We then drew our Raffles and various members spoke about up coming events. Unfortunately the Coffee & cars at Southwards had been cancelled due to recent weather.

Bernard confirmed the Rongotea Lions Car Show is on April 10 & our Club is once again in charge of parking. Noel advised there will be a Vintage Machinery Expo at Manfeild in February

All done by 10.20 and Members headed home in the rain.

**New Members**

They need to register OnLine at our New Web Site and we will be in touch with them as some vehicles may require special dispensation to join our club. Simply go to [www.classiccarbreakfastclub.nz](http://www.classiccarbreakfastclub.nz) and click on the New Member Register button. Please note that they must register all vehicles so these details are automatically added to our Membership data base. Also note that now we require your cell phone number for quick contact purposes.  
Our New Web Site has very high security so your details are not accessible

**Registering for Monthly runs**

Once again this is done via our CCBC Web Site. Easiest way is to follow the link on any email that I send as this will take you directly to the CCBC home page. Make sure you complete the process **to the Confirmation page**. You need to see a **car with a smiley face** if you have registered correctly. Also remember if you have more than 1 vehicle try and register the one you intend to bring on the run. Turning up without registering causes a lot more work for our volunteers at Registration. Remember registrations close at **5pm on Thursday** before the run.

If before registrations close you are unable to make the run then please text me so we can make the necessary adjustments. Likewise if you miss the registration cut-off let me know so I can see if you can be included

**Changes for future runs**

**To make things easier for our registration volunteers please note - When you arrive just pause by the registration sign so Sheryl can check rego and number of people in vehicle. Park your vehicle then come over to make your donations & Michael will give you your instructions**
