

RUN 184

DECEMBER 08 2024

Back to the Beach

On Thursday when the registrations close off we had 1 new member which I was pleased about.. I then download and print the check-in list that Sheryl uses at registration on run day. Well, that was the kiss of death as over the next 2 days we had another 4 new members as well as 1 late entry of an existing members This meant we had 25 vehicles and 43 members which is a record for 2024 . Great news!!

Registration was a very busy affair. Firstly all new members need to sign a waiver on their first run so that our Club is not responsible for any individual issues. Next as this was our Christmas run participants arrived with gifts for our major fund raising raffles so we were kept busy loading these into Bernard's boot for dividing up at breakfast. Tickets for these raffles were sold at registration by Cliff who did a great job raising \$300 for Our Club. Thanks Cliff

Leg 1 was a drive North-West from Palmy with mid-drive stop at Mt Lees reserve by the historic Wilson homestead.

Leg 2 took us through the Rongotea-Glen Oroua area then arriving at Himatangi Beach for breakfast. Richard (our host at the Cosse Club) was ready with a sumptuous breakfast. We thanked him for his efforts before introducing our 5 new members and giving them their Club windscreen stickers.

I then thanked our band of volunteers who make Our Club run smoothly

We then went & sorted the donated gifts into 5 monster prizes before taking them inside to be drawn and won by 5 very happy members.

Your Hospice contributions totalled over \$500 bringing our annual contributions to over \$3,300

Bernard then updated on the Rongotea Car Show on April 13 & Noel spoke re Vintage Machinery day

After wishing members a Safe festive season everyone departed slightly later at 10.45.

Special Christmas Drive

Eligibility dates for joining our Club .

The decision is -

- That the eligibility date should move with the current date
- So this would mean that for every new calendar year the date would advance 1 year
- Vehicles must now be **30 years old** - so that's **1995 or older** - (some concessions to Model run)
- Younger vehicles may be accepted by member agreement fitting the theme of our Club

Donations to the Hospice .

The New System is -

- Donations of hard goods & food are now suspended
- Donations via the Hospice EFTpos terminal
- Cash & vouchers (Supermarket , fuel or hardware store) are very welcome

The format for February drive is normal format

- Check-in 6.45 - 7.15
- Run will be normal (115 - 125Km) with mid-drive break .
- As this is a Summer run we finish away from Palmy

New Members

Register OnLine at our Web Site www.classiccarbreakfastclub.nz. Simply click on the **New Member Register** button. Please register all vehicles so these details are automatically added to our Membership data base . Also we require your cell phone number for quick contact purposes.

Registering for Monthly runs

Once again this is done via our CCBC Web Site. Easiest way is to follow the link on any email that I send as this will take you directly to the CCBC home page. Make sure you complete the process **to the Confirmation page**. You need to see a **car with a smiley face** if you have registered correctly. .Also remember if you have more than 1 vehicle try and register the one you intend to bring on the run . Turning up without registering causes a lot more work for our volunteers at Registration. Remember registrations close at **5pm on Thursday** before the run.

If before registrations close you are unable to make the run then please text me so we can make the necessary adjustments. Likewise if you miss the registration cut-off let me know so I can see if you can be included

Changes for future runs

To make things easier for our registration volunteers please note - When you arrive just pause by the registration sign so Sheryl can check rego and number of people in vehicle. If numbers are different from those you registered please advise Sheryl. Park your vehicle then come over to make your donations & Michael will give you your instructions
